How do I set the background image for a UIButton or a UIBarButtonItem? I have tried the following: let btn = UIButton(frame: CGRect(x: 0, y: 0, width: 30, height: 30)) btn.setImage(UIImage(named:"badge"), for:.normal) btn.imageView?.image = UIImage(named:"badge") btn.backgroundColor = UIColor(named:"badge") btn.backgroundColor = UIColor(named:"badge") None of these seem to work. I have also tried: let barButton = UIBarButtonItem(customView: btn) self.navigationItem.setLeftBarButton(barButton, animated: true) A: The method is called setBackgroundImage for UIButton Set the image view to set the background image for the button. self.button.setBackgroundImage( UIImage(named: "image"), for:.normal) Also, you can set the background image for the navigation bar in the storyboard using a UIImageView and then use this UIImageView as the background image for the navigation bar. A: Instead of using the setImage you should use setBackgroundImage. When
