Download

Ever since he murdered a small girl, the cold-blooded killer, known as "Blackjack" has been on a killing spree, killing many more townspeople.

He will stop at nothing to keep his violent ways going, until you finally find him. You'll have to break his curse - the only way you can do that is to find and kill him! Feature Highlights: Play as the point-and-click

adventurer trying to save the townfolk from a ghostly murderer! Enjoy a thrilling spooky storyline that will keep you on the edge of your seat until the end! Complete numerous and challenging puzzles and mini-games across 5 different locations! Hunt down and eliminate numerous creatures to help you in your quest! Explore over 40 locations in search of the ominous murderer! Explore through two different episodes! Extra

Features: The Ghosts of Deadwood Blackjack presents you with two different episodes, both with different endings! Try to figure out which one to choose to see the other awesome ending! Story of Deadwood:

The town of Deadwood is being terrorized by a mysterious ghost who refuses to leave his own house. Find him and break the curse, or the town will suffer a terrible fate. Episodes: In the first episode, the police

tracked down Blackjack's castle, and with a little help from you, they discovered the remains of a long-lost ancestor inside. In the second episode, a detective was chasing Blackjack and his gang, when they shot at him with a cannon. The detective's car was blasted apart in an instant by a huge ghostly explosion. Tips and Tricks Upgrading your

Ghost Encounter skills in Season 1 allows you to use the ghost encounter skills of Season 2! You can upgrade your skills by clicking "Ghost Encounter" in the lower right corner of the screen when you progress in the game. Upgrade your skills by earning 50 gold coins, which can be bought from gold merchants or collected through

exploration. Every upgraded skill will be used in every chapter. You can hit your detective enemies twice, but each time you hit an enemy that has already been hit once, the detective will lose a life. You can also spend the life of your detective so that he will have one more life. You can get the head of your detective from hitting it with an object, but if you're short on time don't worry because you

Features Key:

A story.

Lovely graphics.

Like finishing one level gets you to the next.

Short levels.
Short levels to play and challenge.
You can only win by collecting squares.

What is it about?

Suber Driver is a puzzle game. You have to link squares together. In the levels you find a certain number of squares and you have to connect them together within a time limit.

Be careful not to make mistakes! If you make a mistake a square will go missing and you'll need to restart the level. Lose as many squares as possible and in the end you'll get the most points.
