
Nougat-update Starts Hitting AT T's Samsung Galaxy J3 (2016)

[Download](#)

February 22, 2017 – South Korean giant Samsung begins rolling out a new February security update for last year's entry-level Galaxy J series smartphones. problems discovered in the past year. The update will be available to over 140 million users worldwide. As a result, the Samsung Galaxy J is expected to have over 10 million South Korean consumers. According to the company, the security update fixes vulnerabilities discovered last year.
