the trunk is in amazing condition, and while i am fairly certain it was built during the first five years of vuitton manufacturing trunks, it is impossible to tell exactly when it was built. the trunk is extremely heavy, no doubt due to

the extra thickness that was implemented on the trunks for the sole deering estate. purchasing louis vuitton is a great investment because it means purchasing a bag that was hand-crafted, and, consequently, will retain its value. while you've shopped for your new louis vuitton, think about whether you'd like to keep it for a while or sell it. store your bag as often as you like in your closet. every time you put it on, you're reminded of your good fortune. as you use it, it will stay in good shape for years. our team of experts review every bag we sell to provide you with the highest quality products. we have been doing this for over ten years. we decided to create our own inventory label that would be printed with information about the item we are selling. this way our customers and anyone who is looking at our inventory online will be able to quickly see the information about the individual product. another important aspect of the product's authenticity is the security lock. this feature will provide you with the meaning behind the numbers on your bag. remember that you must purchase your lv lock with your louis

vuitton trunk. although you do not have to have your lock fitted to your trunk, it will not stay effective if it is not. your louis vuitton trunk is encased in a leather exterior bag. the interior lining is made of a strong and durable polyurethane foam which provides protection for all interior compartments. this compartment is where your passport, credit cards, and other small valuables are kept. we also recommend storing your valuables in the protective lining. 5ec8ef588b
